65,000 Pounds Surplus Food To Be Distributed In Milam

Surplus commodity foods will be placed for disposal of eligible persons during the first two weeks in January according to County Judge Charles C. Smith.

There has been 65,000 pounds of surplus commodities delivered to Milam County for distribution. These commodities this month consist of wheat flour, pinto beans, powdered milk, cheddar cheese, rice and cornmeal. Foods in future months may differ from these items and will be whatever items are available on the surplus commodity list.

Original plans had been to distribute the foods before Christmas so needy families would have sufficient food at that particular time. However, the method of distributing the food is prescribed by regulations of the Federal Government and the State Welfare Department. Among these requirements is one requiring such items as beans and rice be repackaged from 100-pound sacks in to smaller parcels. Time needed for this repackaging postponed issuance of the foods before the first of the year.

The Commissioners' Court of Milam County has established within legal limitations the standards of eligibility for recipients.

All persons currently receiving assistance from the State Welfare Department are automatically eligible for these commodities. Indigents and unemployed persons within certain limits are eligible provided they have been certified by a recognized charity or welfare organization.

Schedule for welfare recipients as set up by county officials specify they report to the commodity distribution point at 114 North Central Avenue in Cameron (on the west side of the Courthouse Square.)

Welfare recipients served by F. L. Gregory are to report on Wednesday, January 2. Those served by Mrs. Norma Wilson report on Thursday, January 3. Lloyd Wood's cases report on Friday, January 4; Miss Emma Hardie's, Monday, January 7, and Mrs. Marjorie Godeke's, Tuesday, January 8.

Judge Smith said because of time needed in issuing identification cards on this initial distribution, persons reporting other than on the day specified would not be served. He did say indigents will be waited upon on any of the said days provided their eligibility has been established.

Eligible persons are requested and urged to be prepared to carry with them at least 30 pounds of food.

Eutermoser Assumes Alcoa Post Jan. 1

Elwood Eutermoser will become staff metallurgist at Alcoa's Rockdale Works about January 1, Works Manager R. R. Sugg has announced.

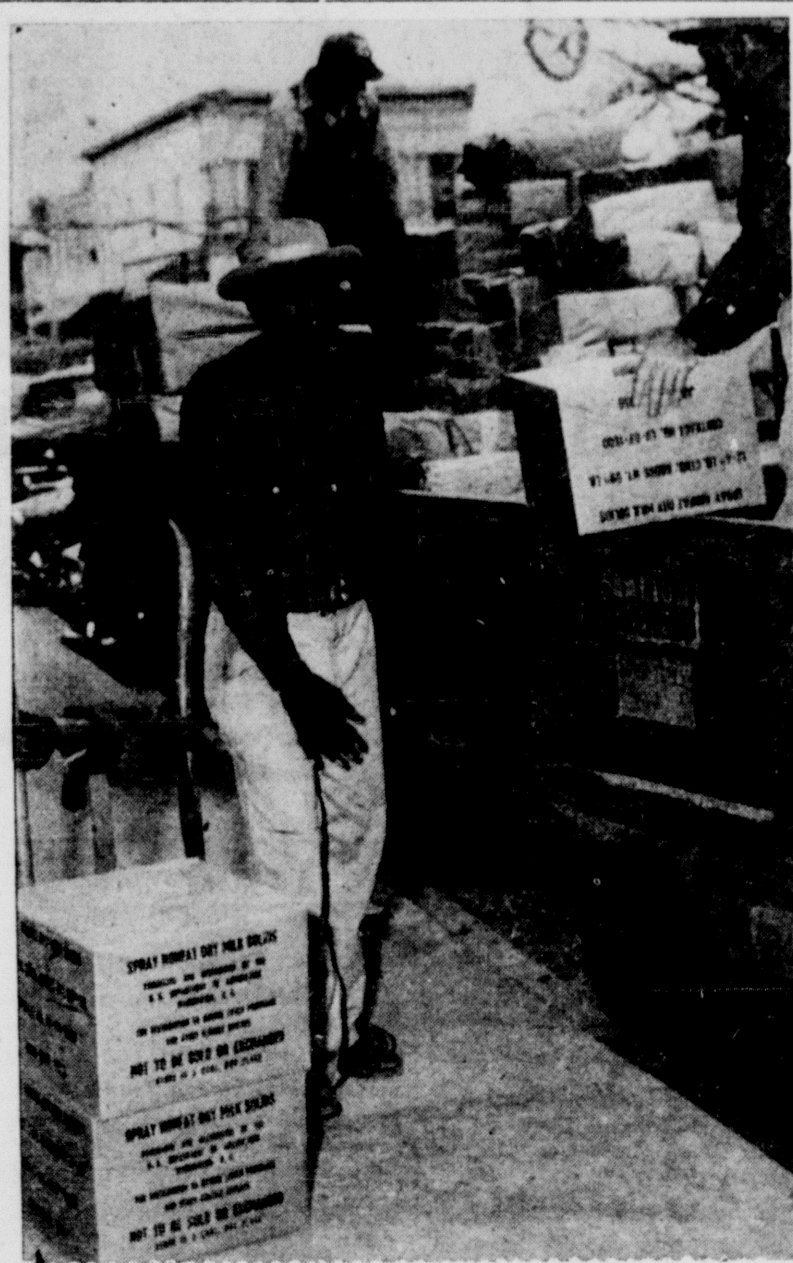

Eutermoser, who is now remelt metallurgist at the company's Davenport, Iowa, works, will replace H. C. Dameron, Jr., who is transferring to the Massena, New York, Works.

A native of Philadelphia, Pennsylvania, Eutermoser is a graduate of New Mexico Institute of Mining and Technology with a B. S. degree in metallurgical engineering. He joined the company at its Alcoa, Tennessee, works in 1950.

Anniversary Party To Honor Slaughters

Children of Mr. and Mrs. D. H. Slaughter of Cameron are honoring their parents on their golden wedding anniversary. The anniversary party will be held at the Methodist Fellowship Hall in Cameron from two to five o'clock Sunday afternoon, December 30.

All friends of Mr. and Mrs. Slaughter are being requested to attend the celebration.

CAUGHT IN ACTION is Jessie Thompson, a Milam Courthouse custodian for four years is in the act of unloading U. S. Agriculture Department surplus commodities. The food shown above, of the dried variety, includes dry milk and rice in large quantities. Other foods are expected to be shipped in later as they are included on the governments surplus list according to Bill Herndon of the Austin headquarters.

Cameron Garden Club Holds Christmas Party December 13

Mrs. R. G. Grabein, president of the Civic Garden Club, was hostess for a combined annual Christmas party and December business meeting at her home, 806 East 11 Street, on December 13. Co-hostesses were Mrs. Roy Wright and Mrs. John Ryan.

Mrs. Edwin Adams program chairman introduced Mrs. Frank Schiller who reviewed the book "Flowers and Table Settings" by Julia Berrall, with emphases on Christmas tables.

Roll call was answered with an interesting Christmas custom of another land.

Under the beautifully decorated Christmas tree in the living room were gaily wrapped gifts for McClosky hospital patients and exchange gifts for club members.

The dining table, covered in lace, was centered with an arrangement of a Crystal Candelabra with pink candles surrounded by pink Christmas baubles and silvered palm fronds; made by Mrs. Leo Fuchs and Mrs. Frank Schiller.

Open faced sandwiches, cookies, salted nuts and mints were offered. Mrs. John Ryan presided at the crystal punch bowl.

Reportable Diseases

Nine cases of various diseases were reported to the Milam County Health Unit during the week ending Saturday, December 22.

Dr. John B. Bryson, director of the unit, said these diseases were one each of pulmonary tuberculosis and Salmonellosis, three of measles and four of Strept. throat.

A goal of MERRY CHRISTMAS far all un-toyed youngsters in Cameron and vicinity set by the Junior Chamber of Commerce members a few short weeks before Santa was due to arrive went over the top in grand style with 195 children receiving new and worked over toys collected and repaired by this group of young civic leaders.

Milam Farmers Must File Social Security Returns

Farmers and ranchers of Milam County, who hire workers at their places, are reminded by A. P. Andrews of Internal Revenue Service that social security taxes apply to cash wages paid to every farm-ranch worker to whom the employer pays \$100 or more in cash wages for 1956.

"The taxes, two percent employer and two percent employee, apply only to cash wages paid covered farm-ranch hands," Andrews said.

Employers owing these taxes must file a tax return on Form 943, and pay the taxes, on or before January 31, 1957. Farm-ranch employers are advised to file returns promptly to avoid penalty for late filing.

Cameron P. T. A. Sets Meeting January 3

Members of the Cameron P-TA will hold a regular meeting Thursday, January 3, at 7:30 p.m.

The meeting will be held in the playground of Ada Henderson School.

The Wee Hours

By Your Police Reporter

It was a slow night at Cameron Police Station. A number of the parties visiting the station during the late hours were seated about "chewing the fat" with members of the city police.

Subject of the conversation turned to the facts that it did not seem like the Christmas season. Members of the police together declared they had received a Christmas Card from one party, who definitely had the Christmas Spirit.

Their card addressed to Police Headquarters, Cameron, Texas, had the following written on the back: "Dear Sirs: Back in 1933 I was a hobo and remembering how nice I was treated by your policemen and townspeople, I wish to send my late thanks and a Merry Xmas too."

The Card was signed by Sgt. Phil Goldfoden, Police Reserves, 36 Second Avenue, Long Branch, N. J.

Mrs. James Kahler Heads Publicity For Polio Drive

Mrs. James H. Kahler of Cameron will head publicity for the Milam County March of Dimes campaign according to Max McClaren, chairman of the Milam County drive.

The battlecry of the 1957 campaign is "Let's Finish the Job."

There is still a great job to be done by the National Foundation of Infantile Paralysis in assuring vaccination for all families who cannot afford the costs of polio prevention, McClaren noted. "Until adults as well as children get full series of three Salk shots there will be no national immunity against paralytic attack," he added.

Five million dollars of March of Dimes funds will be provided for a wide program of rehabilitation to see that all polio victims have a full chance for recovery.

Five new respiratory and rehabilitation centers will be added to the 15 strategically located units now demonstrating and teaching procedures and techniques for the rehabilitation of severely afflicted polio patients. These patients will soon return to useful productive living as a result of rehabilitation provided by the NFIP.

There are still 80,000 patients receiving aid from the NFIP for hospital expenses and other financial aid.

Grants to institutions and medical schools by the NFIP finance investigations into the cause and treatment of polio and help science and victims of other disease.

The March of Dimes must also continue to finance training of research personnel, physicians, nurses, physical therapists and other urgently needed to fight polio and other diseases.

Braden Free On Bond In Saturday Shooting

Charles Phillip Braden, 22, of Houston is free on \$7,500 bond charged with murder in the death of an ex-army sergeant, Johnnie Sanders, Jr., 26, of Fort Worth. Both men were visiting relatives in Cameron where they grew up.

Also shot and in serious condition is Claude Sanders, 20, 301 East Main, Cameron.

Braden waived examining trial

in the Justice Court of B. G. Rice and bond was set.

Following an argument at a table in the Starlite Night Club on Highway 77 near Cameron, the shooting occurred at a point near the highway just outside the club at approximately 11:40 p.m. Saturday.

The older brother, Johnnie Jr., died on the operating table at

12:10 Sunday when it was found that a bullet had severed a main artery in the abdomen. Claude's condition Sunday morning was classified by a Cameron physician as serious with a fair chance of recovery.

Braden, who was reared in Cameron, had lived in Houston with his wife Ruby, two stepchildren, Steve, 6, Jeanie, 4, and Philip Carlton, a six month old baby. He works at the Houston Packing Company as a billing clerk. The family lives in the Denver Addition in East Houston.

Johnnie Sanders, deceased, had been working at Consolidated Aircraft in Fort Worth for about a year. He had his 26th birthday on December 14. He was mustered out of the U. S. Army as a sergeant after two years in Korea.

A Waco Surgeon, Nick Bellegie, performed the operation on the surviving Sanders brother.

Braden told Sheriff Black that he and others had gone out of the Starlight to see the Sanders men. They left that club, reserving a table, and went to another night club in search of them. They returned to the Starlight and during the evening a discussion with the Sanders brothers broke into an argument which culminated outside the club near the roadway. Sheriff Black, investigating, said that many of those in the club did not learn of the shooting.

Johnnie Sanders was not married. He is also survived by his parents, Mr. and Mrs. John Sanders, Sr., 301 East Main, Cameron. Services were held at two p.m. Monday at the First Baptist Church in Cameron with Rev. A. F. Russell and P. L. Caperton officiating.

All Right-of-Way On Hiway 36 Held

County Judge Charles Smith announced yesterday, December 26, that all right-of-way for State Highway 36 has now been acquired and contracts for the project will be let at the earliest possible date.

Members of the Milam County Commissioners' Court and Judge Smith on Wednesday, December

19, (too late for publication last week) received a duplicate original copy of Minute Order 41451, which is the official record of the Highway Commission.

With reference to Highway 36, the order reads, "The State Highway Engineer is directed to proceed with advance planning and to bring the project back to the attention of the Highway Commission for consideration of finance at such time as Milam County will be in position to furnish the necessary right-of-way."

The commissioners' court prior to obtaining the final right-of-way advised the State Highway Department through its State Highway Engineer that necessary right-of-way would be secured not later than January 31, 1957, and that all obstructions will have been removed as soon as practicable thereafter.

Judge Smith said, "This means that insofar as Milam County is concerned there should be no reason for delay beyond January

Traffic Deaths Total 13 In '56

Traffic deaths in Milam County had totaled 13 for the year as of noon last Friday, December 21, according to John Blansit, senior member of the Texas Highway Patrol unit stationed in Cameron.

These fatalities consisted of 12 on roads in rural areas and one in a municipality area, which was in Rockdale.

Fatal accidents for 1956 in Milam County were concentrated in no particular section of the county.

Post Office Force Observes Holidays

Postmaster and Mrs. John Hays will spend several days in San Antonio with their daughter, Mrs. Johnnie Mae Gibbons.

Assistant Postmaster Albert Collins was scheduled to remain in Cameron. He attended a party in Waco before the holidays given by his brother for employees of the Cinderella Shoe Store there.

Mr. and Mrs. Grady Cooper scheduled a visit with their son, Billy Cooper.

Comprehensive Survey Of School Insurance Accepted By Board

Weeks of surveying insurance needs of the Cameron Independent School system paid off for the taxpayers Thursday Dec. 13 when the school board bought the recommendations of the local underwriters exchange lock-stock and barrel.

Motion was made to cancel all fire insurance as of October 29, 1956 and accept a 90 percent blanket coverage with replacement at no depreciation on a face value of nearly a million and half dollars face value including vandalism and malicious mischief.

The professionally considered coverage by Cameron Insurance men-taxpayers gives the school system much more coverage than it has had at a small additional cost, the school board believed.

Uniform Insurance
Band instruments, uniforms and athletic equipment were excluded from the fire coverage in lieu of coverage under an Inland Marine policy which covers this equip-

ment anywhere in the continental United States, under whatever conditions with only an exclusion or two.

Heretofore the equipment was covered only while housed in the school buildings under fire and lightning coverage only. The schools get \$460,000 additional coverage for only \$174 extra premium per year, it was explained. Boiler insurance was doubled in face coverage at one half the cost that has been paid. It was shown that the boilers could be combined under a single policy for half as much as has been paid and give more protection.

Payment for loss under the 90 percent blanket coverage is made on replacement cost of the loss at time of loss up to the limits of the policy. This contrasts with previous coverage which provided payment of loss at replacement at "sound value" less depreciation.

Local agents guarantee a new survey annually of all school properties.

The agents present at the school board meet Thursday had nothing but praise for the wisdom of the school board on their foresightedness of measuring several approaches to their insurance needs and coming up with a broad program which affords maximum protection for the money expended.

Bookkeeping Improvement

Superintendent Wiley Loughmiller explained a new bookkeeping set-up for control of purchases. Forms are to be printed and the system will go into effect after the first of the year Loughmiller explained.

By this system when orders come in they are directed to the school for which they are intended and the person responsible for the purchase will inventory the incoming merchandise and if only part shipment is received then only part payment will be made to cover exactly what is received.

WINS TOP SCOUTING AWARD — Very Rev. Geo. J. Duda of Cameron, third from left, received the Silver Beaver award Tuesday night, December 18, in Waco for outstanding service to boyhood. This award is the highest one a scout council can give. Also receiving the same award were Pat Taggart of Waco, Dawson Cooper of Gatesville and Afton Schulz of Temple.

Very Rev. George Duda Receives High Scout Honor

Annual awards given Central Texas Scout leaders for outstanding service to boyhood at the annual Heart O'Texas Boy Scout Council banquet at the Roosevelt Hotel in Waco Tuesday night, December 18, included the Silver Beaver Award to Very Rev. George J. Duda of Cameron.

Father Duda has been in scouting work for 16 years. At present he is Diocesan chaplain for scout units throughout Central Texas. The silver beaver award is the highest possible for persons including scouting.

These offices are that of chair-man of District Advancement Committee, Special National Field

Scout Commissioner, National Priests Committee on Scouting, member at large of the Heart O' Texas Council, special national field scout commissioner, executive board member of the Heart O'Texas Council, neighborhood commissioner and Diocesan Scout Chaplain, an office he holds at the present time.

Father Duda received special recognition from both the Ninth Regional Division and the National Scout Headquarters in New York for his aid and cooperation in the successful operation of the Third National Jamboree at the Irvine Ranch in California.

He has been responsible for over 60 boys having received the God and Country Award. Father Duda was also responsible for four men in the area having received the St. George Medal in Scouting.

There are numerous other activities Father Duda has entered into for the purpose of furthering the entertainment and constructive training of youths throughout Central Texas.

As another scout leader in the area explained, "No honor would be to great for the time, work and personal expense Father Duda contributed to the welfare of the Scouts of our Country."

Pictured above are the first three winners of the fifty dollar awards given by Cameron merchants through the offices of the Chamber of Commerce as incentive for early Christmas shopping in Cameron stores.

At left is Mrs. Stella McCall of Cameron, center is R. J. Batla of Buckholts and right is Mrs. C. F. Dixon of Rockdale.

Mrs. McCall said that she had not fully determined that she would have a good Christmas but that the \$50 bill decided for her. She had made her winning purchases at the Young Texan Shop. R. J. Batla of Buckholts had purchased from the Leader and Mrs. Dixon picked up her ticket at Irving's Department Store.

Trinity Lutheran Church Edifice Planned For 1957

Trinity Lutherans of Cameron expect to build a church home during 1957.

A dinner meeting was held at Kathy's Cafe on November 21 with Lutherans discussing their immediate goal of eighty dollars weekly toward their building fund. John Eisfeldt and G. L. LaGrone were in charge of the program. There are twenty-six adult members of the church at this time said Reverend Deweth Beltz.

Thurs. said the pastor, we have had fifty-one worship services with five communion services, seven baptisms and six confirmations.

Four thousand dollars is needed for the year 1957 or eight dollars per Sunday. This will allow \$2,000 for the building fund; \$600 for pastor's mileage; \$480 to

Draft Inducts County Group

A total of 11 men were sent for preinduction physical examination on December 12, 1956.

They were Robert W. Bowley, Jim W. Thompson, Woodrow Burgess, Jr., Euler C. Cato, Milton C. Alexander, Billy J. Haddox, Edward L. Adams, Albert J. Michalka, Iverson Brown, Norris L. Iselt and Lee R. Levan. Of this total, seven were found acceptable and four rejected. Two men were sent for induction on the same day, Allen Gulick and Edwin F. Mueck.

The board is still trying to locate Bob Lewis Stone and Leon Taylor. Anyone having information regarding their whereabouts is requested to advise the board.

Orders have been issued for the following men to report for induction on January 24, 1957.

They are Jimmy Leroy Reed, Homer Lee Bell, Ronald Wayne Hairston, Claude Denson Sanders, Milton Curtis Alexander, Billy Joe Haddox, Homer Bruce Crook, Val Gene Jones and William Thomas McDaniel.

These men will leave the Milam Hotel in Cameron on January 24 at 10:30 a.m. and will travel to Dallas for induction and assignment to various camps for basic training.

Young men who fail to heed an order to report for preinduction physical examination will be ordered to report for induction unless the registrant has a good excuse for failing to report for the physical examination.

These unexcused failures to report for preinduction physical examination are regarded as a delinquency and treated as such. Registrants who have been declared delinquent for this and other failures to perform duties required of them under the Selective Service Act, will be advised and given a chance to clear up the delinquency. Failure to comply after delinquency notice has been issued may mean that the board will be forced to report it to the United States attorney for

Registrants leaving the United States must apply at the local board office for a Permit to Leave the United States. By doing so they may be allowed to perform duties that may be required of them during their absence. Failure to request the permit may be cause for their being declared delinquent.

Registrants have right of personal appearance and appeal when these rights are exercised within ten days after mailing of a current classification notice. Only the registrant has right of personal appearance, except in the case where interpreters are necessary, but dependents, employers and others may have right of appeal in certain cases where provided by the Selective Service Law. These people should inquire about their rights under the Selective Service Law and where allowed, exercise their appeal rights.

ward pastor's salary; \$400 for world missions; \$400 for supplies and \$120 miscellaneous.

We can build with \$2,000 annually for that purpose, said the pastor and while we have reached a pledge of \$67.50 per week we still need to raise that amount to the goal of \$80. He pointed out that five members of the twenty-six present members have pledged \$40 and in the figuring for the future the church anticipates a steady growth in membership and consequent gains in money pledged. The pastor concludes that "We believe the members have the faith, loyalty, love and vision to meet the challenge."

Highway Caution Essential Now

Captain E. K. Browning, Jr., commander of the Austin District of the Texas Highway Patrol today released the following warning to the motoring public in Milam County.

We are now entering the New Year's holiday season and the Texas Highway Patrol urges everyone who will drive an automobile to exercise extreme caution to prevent accidents. Patrolmen will patrol highways in Milam County from 8 a.m. until 3 a.m. daily through January 1.

At a district meeting of all Texas Highway Patrolmen of the Austin District on December 18, Captain Browning instructed all patrolmen to be especially alert and step up the enforcement effort during this period. Warnings for infractions of the law are to be kept to a minimum.

As usual the drinking driver, speed, driving on the wrong side of the road and other right-of-way violations will be the prevalent causative factors in holiday accidents and deaths, with following too close also a major factor. Special diligence will be maintained to hold these violations to a minimum.

Captain Browning again urges all Milam drivers to refrain from drinking and driving and to hold their speed down to the posted limit.

Remember that driving after dark brings on added hazards.

Mary Jo Harbuz On Field Trip

Mary Jo Harbuz, sophomore at Southwestern University at Georgetown, recently accompanied a group of students on a field trip to San Antonio, one of the oldest centers of Spanish culture in this country.

For the entire day, the students and their professor spoke only Spanish, no English allowed, in conversation or in ordering meals.

Miss Harbuz is the daughter of Mr. and Mrs. Jerry A. Harbuz of Buckholts.

DRAWING ATTENTION OF both young and old were the two entries shown above which were entered in the Cameron's Santa Claus Parade. The float by the St. Anthony Parent Teacher Association was outstanding for its beauty and decorum of the children in character. AT BOTTOM the little ponies drawing a vehicle owned by the Rockdale Saddle Club drew the wrapt attention of children in the crowd which lined the streets.

Fish swim upstream because it is easier to obtain food than by swimming downstream.

Mexican jumping beans jump because of the larva of a moth which is inside.

Modern Agriculture . . .

A new year is opening with Milam County ranchers and farmers entering full swing into highly approved methods of agriculture. Such methods lead not only to a fuller life for rural residents but for the county as a whole.

Irrigation of fields is becoming the normal method of fighting droughts. Gasoline, electrical and butane powered equipment are performing work and chores previously done by hand or by manpower. Seeds and fertilizers are specified for each farmer's type of soil. Diversified farming is replacing the one-crop system. Blooded stock is rapidly replacing scrub animals in Milam County stock pens.

Such advancement comes to light with the news of the January 7 shipment of 15 blooded Santa Gertrudis bulls from Randale Lake Ranch to Guatemala City, Guatemala. Shipment will be in an air cargo plane. Farmers in foreign nations through such speedy shipments no longer purchase "American cattle" but "Randale Lake cattle from Milam County."

These proven means of producing crops and livestock cost far more than previously. Yet, they produce larger and better products assuring Milam farmers ranchers of greater profits and a better way of life.

Milam County makes an additional step toward prosperity!

CITY OF CAMERON, TEXAS
BY ROBERT WEEMS
Mayor

Mr. and Mrs. F. A. Marek quietly observed their 60th wedding anniversary at their home on Christmas eve, December 24, 1956.

Mrs. Marek is the former Annie Schiller, daughter of the late Mr. and Mrs. Frank Schiller of Yarellton. Mr. Marek came to this country with parents from Czechoslovak at the age of three years. The couple were married on December 24 at Yarellton and moved to Cameron December 26 where they have since lived. Mr. Marek is owner and operator of the Exchange Furniture Company, which has been in operation for the past forty years.

Mr. Marek is 83 years of age and Mrs. Marek is 81. They have three children and one grandson, all living in Cameron. They are Amos Marek, Olga Marek, Mrs. Ladis Marek, Jr.

Income Tax Regulations Remain Same For 1957

Autos and Christmas toys have changed styles but regulations for Milam County persons, who must file Uncle Sam's 1956 income tax returns, remain the same as last year according to R. L. Phinney, district director of Internal Revenue Service in Austin.

Persons under 65 who had a gross income of \$600 or more

must file their return with their IRS District Director between January 1 and April 15, 1957. Those 65 or over must file their gross income was \$1,200 or more.

Self-employed people with net earnings of \$400 or more also are required by law to file.

"However," Phinney says, "people with incomes of less than \$600 — \$1,200 for those 65 or over

— should file returns and get refunds of such taxes as may have been withheld from their earnings."

Phinney urged taxpayers of every income group to read closely the 1956 tax forms and the accompanying comprehensive instructions — arranged in the same order as the lines and pages of Form 1040.

Junior Livestock Show Set Feb. 9

Date set for the Junior livestock show to be held on the Mitchan lot here in Cameron according to John S. Batte, chairman of the Milam County Junior Livestock Committee, is February 9, 1957.

Some 30 adults and juniors met in Cameron at the Vocational Agriculture Building on Monday night December 17, to make plans for the show. Generally, the same plan will be followed as the past shows. Only F.F.A. and 4-H Club shown are beef steers, dairy calves in this show. Classes to be shown. Only F.F.A. and 4-H Club, the fat barrows, bred and open gilts. Exhibitors will be allowed to place one hog for ribbon money in each class. Entry blanks are in the hands of all the Vocational Agriculture teachers and county agents. These entries must be returned by January 7.

Another meeting is set for the night of January 8 at the Vocational Agriculture Building in Cameron. Further plans will be drawn up at this meeting. This show is sponsored by the Cameron C. of C. and the Junior Livestock Committee.

Committee members are John S. Batte, chairman, Dana Monroe, secretary treasurer, Jess Brock, Leo Fuchs, O. A. White, Wallace Culpepper, C. O. Angell, Henry Richter, Pat Kelley, Mr. Davis, Lester Byrd and J. D. Moore, county agent. Drayton McLane, president of the local Chamber of Commerce, is ex-officio member of the committee.

Father Of Mrs. Richardson Dies In Westphalia December 15

Anton Fuchs, 69, prominent member of the Westphalia community, died at his home at 9 a.m. Saturday, December 15, 1956. He is the father of Mrs. James Richardson of Cameron.

Born April 13, 1887, in Frelsburg, Texas, he had lived most of his life in Westphalia where he was a farmer and landowner.

He was an active member of Visitation Parish and served as church secretary for many years. He was also a member of St. Michael's society.

Rosary services, led by Right Reverend Monsignor Robert P. Schertz, were held at the family home Sunday evening at 7:30 p.m.

Solemn Requiem High Mass was celebrated Monday, December 17 at 10 a.m. at the Church of the Visitation in Westphalia with Rev. Robert A. Fuchs as celebrant.

Rev. Sylvester J. Fuchs served as deacon, Rev. George Doskocil as sub-deacon, and Rev. Eugene Braden was master of ceremonies. Right Reverend Monsignor Robert P. Schertz delivered the eulogy. The Priests' Choir of

the Austin Diocese, under the direction of Rev. Werner Bockholt, sang the responses to the Mass in Gregorian Chant. Burial services at the grave were conducted by Msgr. Schertz. Burial was in St. Mary's cemetery with Nicholson of Rosebud in charge.

Survivors include his widow, Bertha Engelhart Fuchs of Westphalia; four sons, Father Robert A. Fuchs of Hearne, Father Sylvester J. Fuchs of Bryan, Walter Fuchs of Van Court, and Werner Fuchs of Westphalia; five daughters, Sister Mary Tharsilla, C. D. P., St. Anne School, Houston; Mrs. Bernard Kahlig, Westphalia, and Mrs. Richardson; two brothers, John Fuchs of Lott and Stephen Fuchs of Westphalia, and two sisters, Mrs. Ben Wilde of Rowena, and Mrs. Theodore Schilling of Westphalia.

Pallbearers were Harold Fuchs, Ben Fuchs, Benny Fuchs, Andrew Wilde, Leo Fuchs, Mike Schilling, Marcus Scherdick, and Paul Halfman.

General Lee's sword was returned to him by General Grant after Lee's surrender at Appomattox.

Each U. S. Congressman represents approximately 280,674 people.

Thomas Jefferson, Patrick Henry and George Washington were known as "the pen, the tongue and the sword of the American Revolution."

The first flag to fly over Texas was the French flag in 1684.

their money or pledge someone Should the total \$13,000 budget be attained, McLane said, each of the participating agencies have agreed that they will accept their pro-rata share of the monies collected. He predicts that, from the response this year, that the goal will be more easily attained in 1957 with a better understanding of the "Once for all" goal of the United Fund.

Sandra House Becomes Bride Of Hugh Bowley December 9

Miss Sandra Jean House became the bride of Hugh Bowley at 3 p.m. Sunday, December 9, in a double ring ceremony at the Cameron Gospel Tabernacle with the father of the groom, Reverend H. M. Bowley and Reverend A. W. McCullin of Ben Wheeler officiating.

The ceremony was under an arch of cedar with white balls, baskets of white mums strung with streamers.

Mrs. Conally Neal of Temple played "I Love You Truly," and "Oh Promise Me" on the piano which was decked with an arrangement of white mums.

In a fitted ballerina length nylon lace, strapless top dress with full short overskirt of lace over three tiers of net and taffeta dress, the bride's attire was completed with finger tip veil of illusion falling from a rhinestone studded crown. The lace bolero was enhanced with a small petal collar and covered buttons with sleeves that formed a point over the hand. She was presented in marriage by her father, Denton T. House. The bride's bouquet was of white mums with ribbon streamers on a white bible.

Miss Mary Edna Bowley was bridesmaid and was attired in metallic net over taffeta and carrying a bouquet of white mums with net and ribbon streamers.

Joe Lee Heitman of Cameron was best man. Grover Clay McCullin and Robert Bowley, both of Cameron were ushers.

A reception was held at the home of the bride's parents, 610 E. Fourth. The home was decorated with white mums while the bride's table was covered with a maderia cloth, centered with white mums and streamers of pink and blue satin ribbon.

Mrs. A. W. McCullin, aunt of the bride, served while Miss Jackie Curry of Minerva poured and Miss Kay Cox of Cameron attended the bride's book.

Others in the House party were Misses Wanda Small, Dorothy Kelley, Patsy Veazey and Norma Ruth Bowley.

The bride's mother was attired in navy blue crepe jacket dress, ice blue hat and other accessories in navy blue. She carried a corsage of white mums. Mother of the groom wore a black suit with white mums and a black hat and

gloves. For going away the bride wore teal blue princess styled crepe with flared skirt, short three quarter length sleeves buttoned down the back with jacket and white accessories.

A two day honeymoon was planned in Granger for the couple, now at home at 610 East Fourth in Cameron.

The bride attended Yoe High where she was a member of the band and choral club; a soprano in choral club sextette in 1955 and 56.

The groom was also graduated from Yoe High in the class of 1955 and is employed at the McLane Wholesale Grocery in Cameron.

Out-of-town guests were Mr. and Mrs. I. C. Neal of Temple and Mr. and Mrs. Conally Neal, Mack and Mary Claire also of Temple; Mr. and Mrs. Arthur Martin, Mr. and Mrs. G. C. Lucas, Mrs. Billy Nabours, Mrs. C. W. Trotter, Mrs. D. E. McDaniel, Rev. Comer Alden of Minerva; Misses Mary and Naomi Walschak, Mr. and Mrs. O. W. SURVEY OF SCHOOL — pal Leon Brady some science equipment was ordered purchased for Ada Henderson School.

Lettermen

Awards for twenty-four lettermen was voted with a dispute arising over the advisability of giving football lettered jackets to non-football players. Dr. David Shapiro was the lone stand-out against the policy of giving football letters and sweaters to anyone except the players. After board members present over-rode his argument he facetiously called for a sweater for the team doctor (which is his position). Shapiro feels that it would be much more of an honor to the football player if awards, other than the lettered sweater, was given to others for "services rendered." Lettered sweaters were voted for all players, the three coaches and three queens of the schools.

It was suggested in other comment by board members that the annual citizenship trip give way to a better senior trip and that funds from the annual carnival be used for that purpose. No action, however, was taken in the matter.

Anderle Lumber Company was awarded a bid for asbestos siding for the O. J. Thomas Agriculture Building which students and an O. J. teacher are putting up as a class project.

Girls' Basketball

More than \$200 worth of basketball equipment for O. J. Thomas girls was voted. It was determined that those students have quite a lively interest in the sport and that they should be encouraged.

While still on the subject of O. J. Thomas, it was reported that an unmarried O. J. Thomas student has been determined to be pregnant and that there is another student-mother of an illegitimate child. Superintendent Loughmiller brought up the matter in order to obtain a statement of policy from the board on the subject.

The forthcoming policy then was laid down that authorities would be empowered to permanently expel students in such cases. The motion read "It shall be the policy of the Cameron Independent School District to deny admission to unmarried students when

found to be either pregnant or who have illegitimate children." At a special session of the board, two days after the expulsion order, it was revealed that there are several students with illegitimate children at this time. The ruling then was set to take effect only on any new cases which might arise. Several of those now in school are near graduation, it was pointed out.

Bus Accommodations

Swinging into services to be rendered by the school board to patrons it was brought up that Bill Whitaker has requested the school bus to make a swing up over a rise which obstructs view of the highway where his daughter has to wait on the bus at this time. The thought was expressed by one member of the board that "as much as possible the busses should be run to best accommodate the children." The bus will be routed on recommendation of Superintendent Loughmiller to accommodate the Whitaker family. It was explained that, from cursory examination of the facts, the request should be granted as an emergency situation.

The hiring of Miss Dallis Young at a salary of \$250 to take school census of the Cameron Independent School District in January was okayed by the board. Services of Miss Young in the past was lauded by the superintendent.

Cashing of a \$500 war bond, bought by school children with funds from the sale of scrap during the war was recommended for the purchase of library books.

Intramural Baseball

Discontinuing of interscholastic baseball in favor of intramural ball was turned to the administration without action. Since the recommendation was brought to attention of the board by the administration such policy will be in effect at the next baseball season.

Report of income from the all-school carnival was broken down as follows: Freshmen \$207.45, Sophomores \$148.25, Juniors \$166.52, Seniors \$222.90 for a total of \$745.12. Ada Henderson reported for the Fourth grade \$53.81; Fifth \$31.15; Sixth \$61.06; Seventh \$65.06; Eighth \$55.15. Ben Milam grades reported for the First

College For Education; Not For Sports, Fun

By David W. McLain

(Authors note: This article is not for propagandist or publicity purposes, but is written to give our readers a more intimate view of one of our states oldest land grant colleges.)

Each year, about the latter part of April, many high school students begin trying to decide where to attend college. Here is a typical conversation among prospective college students.

"I think I will go to A&M; it's grade \$33.30; Second \$35.09 and Third \$39.39.

The Chili Supper brought in \$170.80. After bills the grand net was \$1290.52 the Superintendent reported.

close to home, and they have a championship football team."

"Aw, who wants to go to A&M, there are no girls there, and all you can learn is how to milk a cow or use a slide rule," returned the other boy.

This idea of A&M being only for agriculture and engineering is a common misconception to the ordinary person. The primary purpose for establishing the college was to provide the student with the opportunity for an education in engineering or agriculture at a minimum cost. This purpose has been well expanded until A&M has become one of the top liberal arts colleges in the south. The student is no longer limited to Ag-

riculture or engineering, but can obtain a degree in any one of the many liberal arts as well as Pre-Med, Pre-Dentistry, Pre-Law, Veterinary medicine, Architecture, Business Administration, Biology, Education, Oceanography, Physical Education, Physics, Geology, and many others.

The student who wishes to get a well rounded education may attend school under a liberal arts plan leading to a Bachelor of Arts degree. He may have as his major Sociology, Psychology, Economics, Education, English, Geography, History, Journalism, Modern Languages, Oceanography and Meteorology, Industrial Education, Marketing, and many other variations and comb-

nations of these.

I'm not going to attempt in this article to delve into each department or major, but I'm going to try to tell you a little about my department and its functions.

Texas A&M College is one of three Texas schools accredited in Journalism. Others are Texas University and Texas State College for Women.

The A&M Department of Journalism offers two standard four-year programs, one designed to train men for newspaper, magazine, and industrial journalism work, including advertising, and one for more specialized careers in agricultural journalism.

Training for majors in journalism at Texas A&M prepares students for careers as reporters and editors of newspapers, advertising and business management, industrial writing and editing, radio journalism and the agricultural journalism field.

One of the most active student publications programs in the nation is conducted at A&M. The

Battalion, student daily newspaper, of which I am an advertising and editorial staff member, covers city, state and national news as well as student activities. It is the official newspaper of the City of College Station. Other publications on which students gain professional experience include The Agriculturist, The Engineer, The Commentator and the Southwest Veterinarian, as well as the Aggieland, college annual.

A&M's Department of Journalism has one of the most complete journalism reference libraries in the south and Southwest. Through its Journalism Club and Sigma Delta Chi, national professional journalistic fraternity, and in classes, speakers from every phase of the professional field are brought to the campus each year. The A&M Chapter of Sigma Delta Chi also sponsors annually the conference of the Texas Junior College Press Association, of which I was assistant chairman this year. The department is a member of the American

Society of Journalism School Administrators. Employment opportunities in the journalism field are excellent. Salaries are greatly improved and jobs often exceed the supply of college graduates by a good margin. The department has wide contacts with the publishing and allied fields. The College Placement office offers a very efficient service and former students through the department offer an exchange of employment information helpful to many.

If you are planning on going to college, or know someone who is, don't rule A&M out because you don't think it offers a diversified educational program. In my opinion, A&M is one of the best liberal arts colleges in the nation.

Harvard University, founded in 1636, is the oldest college in the United States.
